

## Conference organisation

The conference is addressed to researchers, scholars and practitioners engaged in ICT - based innovation in justice systems, and more generally in judicial reform.

For organisational reasons, the conference is open just to invited attendees. All those interested to attend must write to the conference organisers at the following email address: [biecpo@irsig.cnr.it](mailto:biecpo@irsig.cnr.it)

A secure website has been created to provide information and support concerning conference organization, services, logistics. <https://www.etches.com/biepc0>
